

Second, new Claim 37 recites the organic solvents in more generic terms than its original counterpart. Support for this new claim can be found in the original specification, e.g., at page 10, lines 4-10, where two or more species are listed for each genus in new Claim 37.

No new matter has been added by these amendments. Examination on the merits is respectfully requested.

Please grant any extensions of time required to enter this preliminary amendment and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
